Denise Caramagno
CARE Advocate
University of California, San Francisco

Dear Denise,

Every year, the UCSF Police Department honors a UCSF employee for consistently providing extraordinary assistance that contributed to a major Police Department accomplishment and significantly improved the Police Department's ability to provide service to the community. Our Partner Award is bestowed upon an employee who has demonstrated dedication to the pursuit of excellent service in his or her daily work.

You have been chosen for the 2019 UCSF Police Department Partner Award!

You have become a part of the PD family. You work with our team on the Coordinated Review Team for Sexual and Gender-Based Violence and Misconduct, Title IX issues and Case Management. In addition, your assistance as a panel member for our oral boards is so valuable to us. Thank you for always joining us at our tables during Safety Awareness Month. Last April, you had a huge role in coordinating and promoting April Sexual Assault Awareness Month. At every RAD Basic Self-Defense Course for women, your presentations are so supportive to our RAD instructors, and you help us by teaching students on the topic of sexual violence and rape culture. We are so grateful for your amazing work around promoting a safe environment for victims of abuse and her constant efforts in supporting and partnering with the Police Department.

Congratulations, Denise!

With Sincere Appreciation,

Mike Denson
Chief of Police
